AAA24 rant

So, maybe it's just me, but I am really hoping that A24 actually does *something* with this membership. So far, I am not really understanding why this service should be paid for; the exclusive merch is really lacking, and I don't think members have gotten "first dibs" on anything, except for a chance to win archived merch in an IG contest.

Here's hoping the membership actually proves to be useful eventually!

i think it would be cool if we all got free screening room tickets. I know half price is still an advantage but they are \$10 so \$5 isn't too much. Just something to add as well

I know it's ridiculous but I can't risk the green knight shirts coming back and I miss them 🥺

For me it's just a way to support them and what they are doing. I appreciate what they put out and want them to continue doing so and if this little membership helps I don't mind. Also, the free birthday gift almost pays for the membership on its own! 🍌
